

### **ADVISORY ON UNAUTHORIZED SELLING OF OKADA MANILA SCENTS**

It appears that certain persons are selling hotel scents or fragrances including one that uses the Okada Manila brand. Such products are fake or counterfeit, and are not connected with Okada Manila. The hotel scent we use is made exclusively for Okada Manila and is not sold to the general public.

We urge the public not to buy or patronize such fake products.

The use of Okada Manila's brand and trademarks for commerce without our authority or consent constitutes trademark infringement under the law. We will take the necessary legal action against violators.
