

We at Tiger Resorts, Leisure and Entertainment Inc. (TRLEI) and Okada Manila are deeply saddened by the passing of our dear Chairperson, retired Justice Manuel “Lolong” Lazaro. We offer our sincere condolences to the bereaved family.

We have lost a visionary and a strong leader, who has contributed so much to the growth of the company. In his last few months with us, Chairperson Lolong was able to help guide Okada Manila to weather the storms of the pandemic, shielding hundreds of jobs and aiding the company’s recovery.

Our thoughts and prayers go out to his family. May his soul rest in eternal peace.
