

Okada Manila on track for 2016 opening

Manila, Philippines – Tiger Resort, Leisure and Entertainment Inc. is on track to open Okada Manila, Asia's newest world-class resort, entertainment, dining, shopping and gaming destination, by year end.

Okada Manila is well on its way to completing its first phase which covers 22 hectares of the overall 44-hectare property. The initial opening of the property, including the hotel, food and beverage outlets, casino and other major attractions, will take place in December.

The company is also on the process of carefully considering the optimal timing for opening other facilities and amenities. Relevant disclosure will be provided in a timely manner.
