

Okada Manila Starts to Consider Changing Its Brand Name

Manila, Philippines, February 04, 2019 – Today, Okada Manila's bright future is further cemented by an important development through its parent company, Tiger Resort Asia, Limited (TRAL): the complete acquisition of the majority of shares of listed company Asiabest Group International, Inc. (ABG).

Hong Kong based TRAL, the parent company of Tiger Resort, Leisure and Entertainment, Inc. (TRLEI) completed the acquisition of 66.6% of the listed shares of ABG. This successful acquisition of two-thirds of ABG shares paves the way for the eventual public listing of TRLEI, which operates Okada Manila.

In light of these developments, Okada Manila has begun considering changing its brand name. With the move of potentially changing its brand name, TRLEI, can now fully focus on refining its operations and further achieving stellar growth on a clean, untarnished slate.
